Dear Campers,

We are looking forward to seeing you during the 2025 Washington County Fair. Included is your 2025 Camper Registration and Fair Camping Rules.

### **NEW FOR 2025!**

1. There will be NO "Horse Camping" in the ball field. All campers must camp in the campgrounds.
2. Limited camping will be available this year.
  - a. Returning campers will be honored first based on when contract and payment are received.
  - b. No one will be guaranteed their previous spot this year.  
We will try our best, but there are many electrical issues and fire lane issues we are working around due to the increase in camper size.

Please keep in mind:

The camping registration fee is **\$150** for 2025.

Rule #1. Fair Camping Registration Deadlines: **June 1- Returning campers wanting previous spot**  
**July 31, 2025 – Final deadline**

Rule #4. **All camping permits and fair passes must be picked up at the Senior Fair Board Office.**

Rule #5. All campers **MUST** check in at the fair board office before parking.

A committee member will direct you to the correct lot.

If you have an email, please make sure to include it on your registration form.  
Registrations are no longer mailed.

Note: If you park your camper before Wednesday, August 27 you will pay the daily rate of \$35/day.  
Please contact the office before parking early.
